Writing abstracts, designing research projects
 Writing for peer reviewed publications
 How to start a private Nuclear Medicine venture

How to run a successful outpatient cardiology, bone densitometry or PET program
 Telemedicine application in Nuclear Medicine
 Operation of PET/CT, licensing for reading CT
 Other

Residents/Fellows:

- Complete the Mentoring Application form.
- Review your objectives for the Mentoring program.
- Review the Mentor List from the website (www.acnmonline.org) and identify the Mentor(s) you would potentially like to work with.
- Contact a potential Mentor to see if you share goals, objectives and interests.

***You may contact multiple Mentors to find the faculty member(s) who best meets your needs. After you have asked a Mentor to be your partner, complete the Mentoring Partnership Agreement.

Please return completed Mentoring Partnership Agreement to

American College of Nuclear Medicine
