2016 SNMMI-TS Advanced Degree Award

Application timeframe: TBD

Description

The SNMMI-TS Advanced Degree Award serves to support a student who is pursuing an advanced practitioner program to advance their career in nuclear medicine.

This award is made possible through a grant from the Education and Research Foundation for Nuclear Medicine and Molecular Imaging.

Requirements

Applications will not be considered unless the following have been received by the application deadline:

- A completed application including the applicant’s personal and financial information
- Current resume or curriculum vitae
- Official transcripts of all formal education issued directly from the institution’s registrar office.
- An applicant statement not to exceed 2 pages. The brief statement should detail your activity level in the SNMMI Technologist Section (SNMMI-TS) and address the following questions: What are your professional achievements? What are your career and educational goals? How will your Nuclear Medicine advanced practitioner program help you achieve your goals?
- Scanned copy of original program acceptance notification.
- A professional reference letter provided as either a signed original on institution letterhead or a scanned copy of the signed original.
To be eligible for the SNMMI-TS Advanced Practitioner Program Scholarship, candidates must:

- Demonstrate financial need
- Be currently accepted into the Nuclear Medicine Advanced Associate Degree Program offered by the University of Arkansas for Medical Sciences
- Be a member of the SNMMI-TS

For information on the Advanced Associate Degree Program offered by the University of Arkansas for Medical Sciences, please visit: [http://www.uams.edu/chrp/nuclearadvanced](http://www.uams.edu/chrp/nuclearadvanced)
